

# DIESEL ADDITIVE

Introductory Price

**\$6.99** each

Water is welcome almost everywhere except in your diesel fuel engine. Water in diesel fuel severely damages injectors, corrodes tanks and fosters the growth of bacteria. Our highly concentrated Diesel Power™ is also an all in one package which contains lubricity. Increase your engine's performance by giving Diesel Power™ a place in your engine *today*.

**Part No: 3081504**

## Advantages of CTP Diesel Power™:

At CTP® we believe that the money you save with New CTP® Replacement Parts for use on Caterpillar® equipment can give your business the competitive edge needed in today's price sensitive markets. Why settle for used, rebuilt, or remanufactured parts, when you can buy new quality replacement parts from CTP®? Whether it is for your tractor, diesel truck, engine, or excavator, CTP® quality replacement parts are there to provide the value you demand for your money.
